**NOTA 1.** Informazioni sulla copertura offerta dagli operatori roaming partner di TIM sono disponibili sul sito [www.gsmworld.com](http://www.gsmworld.com)

**NOTA 2.** Ai costi applicati da TIM alle chiamate e agli SMS ricevuti all'estero alcuni operatori applicano un costo aggiuntivo che sarà scalato dal credito residuo per i clienti con ricaricabile; addebitato nel conto telefonico per i clienti con abbonamento; addebitato su carta di credito per i clienti con ricaricabile con addebito dei costi in roaming. Tali costi sono da considerarsi indicativi in quanto sono soggetti alle variazioni dei tassi di cambio e delle tasse locali.
